givejedahand Hey! Did you know that for $100 you could #goshopping with these #creeps #CAMH CEO Catherine Zahn and #Psychiatric #Frontman and parttime #hack David #Narcissus Goldbloom - to buy #thecompound swanky new #showplaces loads of #untested #junk #gadgets and the #propaganda to #pimp them with? And #friuitbasket for you or maybe some #citrusshampoo.... But it won't be #dollarama in the #streetsoftoronto - too bad for #streetphotography - but #holtrenfrew - whose shoppers are the kind they vastly prefer as #clients. The #mentalhealth of whose #future? #CAMHFoundation! Don't give these #imposters any more money! #scamh
